DuPont/Chemours – Washington Works

- EPA Regions 3 & 5 issued Amended Consent order in January 2017 to address on-going sampling of drinking water wells in the vicinity and provisions for alternative water. Sampling of an expanded area was conducted in West Virginia and Ohio based on the amended order.
- EPA Regions 3 & 5 met with Chemours, on September 12, 2017, to establish next steps. It was mutually agreed testing of additional wells was necessary based on recent data. EPA and Chemours are in progress of formalizing a plan for additional step out sampling areas.
